Fishing report: Members who attended the 2 Georges offshore fishing trip donated their catch for our upcoming fish fry. Filets were placed in large gallon bags and filled with cold fresh water then frozen.

Guest Speaker: Mike Lesko from United Yacht Club gave a very informative lecture on buying and selling a boat.

Members were informed that we still have roughly 16-18 raffle tickets left for a raffle with Capt. Doug Martin of Red Devil Fishing Charters. Four names will be picked. If your name is picked twice, you MUST take a member from Cast Away Anglers.

President Preston had sent an email to the Executive Board with a question on not having monthly meeting in the summer months. After

reading our By-Laws, it was determined that we WILL meet 12 months a year.

At the present time we have approximately 8 lbs. of filets for our fish fry. We would like to have more to make sure EVERYONE has enough. Our Fish Fry date is yet TBD, but we are working on a day in the near future.

Freedom Boat Club Fishing Tournament (Red Fish): June 12, 2014 at the Little Harbor Marina. Start time is 9 am and weight in is 2 pm. Those interested in attending, please see Terry Ricketts to sign up. Also, the Freedom Boat Club will be holding a special Cookout for CAA members at 4 pm with tents and food. Please sign up and bring your significant other.

Terry Ricketts also has a Freedom Boat Club reservation in Islamorada Florida from June 24-26, 2014. Food, lodging and travel are on you and of course, members would be required to split the cost of bait and fuel and a tip for the dock master. Thoughts of hiring a guide for the first day of fishing will be decided and of course, that cost would be split.

Discussions are underway for a offshore trip in July/August 2014 on a weekend. We recognize that everyone is not available to fish during the week.

Jack Banther spoke of the quarterly dinner scheduled for June 18, 2014 at 6 pm at the Sun City Center Golf Club (Sand Piper) and members would be able to order off of the menu.

All website information will be turned over to Ray Stanley and hopefully we can get the site running soon.

**Note: If anyone knows of a member who is ill, please leave a message at our email address
